"PATIENCE

Being able to finish an entire lollipop without biting it."

Kia ora koutou e te whānau

Today we farewell Caiden who is moving to another school outside the community. All the best Caiden.

What a busy week we have had with our swimming sports on Monday and then our school athletic sports on Wednesday. A special thank you to Michaela Brouwer for all the work she has done to organise these events. It was great to see the students competing with enthusiasm and

giving their best. There were some amazing results. I was most impressed with the way that the students encouraged and supported each other. It was lovely to see the relaxed atmosphere around the school as parents and grandparents encouraged the students. A special thank you to those parents who helped with running these events. We couldn't do it without you. Congratulations once again to the parents who won the swimming relay.

Today we have been fortunate to have three ambassadors from 'I am Hope', at school to deliver the 'Little People, Big Feelings' programme. The key message was that it is okay to feel any emotions and that it is important to express them. They covered the importance of seeking out help including that of a counsellor. We have a counsellor who visits our school fortnightly on a Friday. We are fortunate that this is available to our students through the support of 'I am Hope'. If you think your child may benefit from the counsellor please contact the school for more information. Alternatively students can access a counsellor through the website iamhope.org.nz All sessions are free with two to three day average response time.

All the best to the 29 students who are representing the school at the South Otago Swim Meet on Tuesday. We looked into trying to organise a visit to the pool in Balclutha for the students competing in the event. However, this was not possible. If you are in Balclutha over the weekend consider taking your child for a swim so they are familiar with the pool.

Have a lovely weekend.

PTA AGM and General Meeting,
7pm Wednesday 6 March in the school staffroom.
All welcome! Apologies to chantelle@cluthavalley.school.nz

The PTA (Parent Teacher Association) includes all parents and guardians of current students, as well as the principal and teaching staff. The committee is a group of about 16 members who organise the PTA's various (mostly fundraising) activities to support the school.

New committee members are always welcome! We want to understand and support the learning of all students, so we like to have members representing a range of year levels and cultures across the school. Being on the committee or helping at events is a great way to get to know other parents.

If you'd like to share any ideas, join the committee, or just see if it's for you, please come along to a meeting.

During the year we will ask families for some help with fundraisers. We aim to keep any costs minimal, and vary the fundraisers to suit a range of interests, skills and available time.

The PTA committee wants to thank everyone for supporting last year's fundraisers. Your contributions are greatly appreciated, whether it was buying or selling bulbs, baleage, compost or raffle tickets, donating items for fundraisers or sharing your valuable time!

Sincere thanks,
CVPS PTA committee.

SCHOOL COMMUNICATION

All school communication i.e. newsletters and notices will now be put on Hero. You will receive either a notification on your email or a push notification sent directly to your mobile device. Paper copies for notices will still be sent home if they require additional information from parents e.g. camp notices or sports notices.

MOVEMENT IN THE COMMUNITY

We would appreciate if you could let the school know if you are moving from the area or you know of new families joining our community who have preschool or school age children. This helps with ensuring that we can support transitions between schools.

SICKNESS

Please be aware that Covid, Chicken Pox and School Sores are in the community. If your child is showing any symptoms of Covid please can you test them and keep them home if positive or clearly unwell. The recommended time to isolate is five days. If anyone requires test kits we have a few available at school.

Lets band together to get Saryn cycling!!!

We are raising funds for our daughter, Saryn.

Saryn was born with Koolen de vries Syndrome.

Saryn has an intellectual disability and epilepsy.

We are fundraising to raise enough funds to purchase a specially adapted electric trike from Europe as it will be great therapy for Saryn and allow her the freedom to join us on outings as a family.

Any extra funds will be donated to Clutha Valley Primary School to help other kids with additional needs.
