

'A Journey of Growth - To Be the Best We Can'

BYOD USER AGREEMENT

As a Student I agree to

- charge my device at home and ensure it has enough charge to last the entire day at school.
- ensure my device is at school everyday so I can use it to help me learn.
- use pen and paper as well as using my device to support my learning.
- use my own device under teacher supervision.
- remain in charge of my device at all times. My device is solely for my use.
- use school approved cloud based applications such as Google Apps for Education to support my learning while at school and at home.
- not use my device at break times unless under the supervision of a staff member.
- communicate using kind words and images that support my learning.
- care for and take responsibility for my device. **The school takes no responsibility for loss or damage.**
- adhere to the rules associated with the use of a devices. I understand that bringing a device to school is a privilege.

'A Journey of Growth - To Be the Best We Can'

As a Parent/Caregiver I/We agree to

- assist and encourage my child to meet their BYOD responsibilities.
- ensure my child's device and any accessories are clearly named.
- reinforce classroom learning of digital citizenship including responsible use of internet facilities.
- discuss with my child any damages to their device and arrange for these to be repaired or replaced at my child's/my cost. The school holds no responsibility for any loss or damage that may occur. At the point of purchase (if purchased through Cyclone) **Material Damage Insurance cover can be taken out for \$76.00 (GST inclusive), which is for 36 months and has an excess of \$50.00.**
- ensuring that safe procedures are put in place for transporting the device to and from school. A robust case/cover is recommended.
- my child using school approved cloud based applications (e.g Google Apps for Education) at school and at home.
- discuss with my child how they are using their device to support their learning.
- allowing the school to collect and examine any device at any time for the purpose of reinforcing responsible use of the device, investigating discipline issues or for any other school related purposes.

'A Journey of Growth - To Be the Best We Can'

As Clutha Valley School we agree to

- provide reliable wireless access to our school network and the internet.
- provide technical support to connect the device to the school's network.
- provide approved website filtering protection.
- provide a lockable space for the student to store their devices. The school requests that the student takes their device home each night.
- provide education to the student on matters related to digital citizenship.
- plan for and implement digital learning activities where the student's device can be utilised to enhance their learning.
- notify parent/caregiver of any issues arising where the student struggles to meet their BYOD responsibilities.
- ensuring that students are encouraged to take responsibility for their own device. The school takes no responsibility for damage or loss.
